

Society for Intercultural Education Training And Research

Networking platform,
scientific forum and
facilitator for the
intercultural community

About us

The Team of SIETAR Austria is eager to promote the exchange between researchers, trainers and practitioners in the intercultural field.

As a platform, we are eager to increase the recognition of intercultural competence as an important and relevant topic and leverage opportunities for experts in this field.

Our philosophy is to

- ... enhance and promote intercultural awareness and understanding to support solving societal challenges in civil society and business.
- ... ensure the growth of the intercultural profession and the research and development of new education / training methods and tools.
- ... build and manage a diverse network, which benefits all intercultural-interested parties.

SIETAR Austria is a networking platform, scientific forum and facilitator for the intercultural community.

Connect worldwide

SIETAR Austria is an active member of SIETAR Global, the biggest association fostering awareness for intercultural subjects in research, politics, economy and education worldwide.

The worldwide SIETAR network consists of SIETAR Global Connect (founded 1974), SIETAR Europa (founded 1991), more than 30 national as well as regional networks with over 3000 members, along with Young SIETAR, a network for students and young professionals.

SIETAR Austria strives to serve as a platform for people in the intercultural field and to promote the interdisciplinary exchange in economy, science and society.

Our events

SIETAR Austria is a networking platform offering regular events and publications. Our topics include intercultural management, international business, cooperation in a global environment and intercultural communication and training.
