## SIETAR Austria Event

# *“Brexit Wrecks-It”*

By Matthew Hill

### Details:

How British culture became open to receiving media-lead and prejudice based propaganda, and so, quickly diminish its international reputation.

**Invited Speaker: Matthew Hill** is an intercultural presenter, trainer and writer, commentating on the increasingly odd behaviour of British people around Brexit - Divorcing the EU. He is a former President of SIETAR UK, has written 5 books, made a number of films and has delivered intercultural workshops and keynote speeches in more than 30 countries. Whilst not claiming to be an academic, he has delivered lectures at more than 20 universities.
